10 These allowances have been due to the officers concerned from the time they rejoined duty after their return from Europe. ~~[illegible]~~ Instead of taking time to pass general orders, Govt has passed orders in each case as it arose all of these officers who have been in receipt of allowances for some time. I think therefore the grant of the allowances cannot be withheld. The funds will have to be met by reappropriation if possible in the present Budget. If not possible a fresh grant will have to be obtained from the L.C.

that the Question of quarterly allowance of Rs. 75 to Mr. Masters does not arise in the present connection, the S.S. spoke to me in the matter. He said that he intended to recommend the allowance to Govt. independently of the other proposals & that he thought there could be no objection to this increase in pay. This proposal was also sanctioned —

12 I regret I cannot agree to our going up to the S.C for an addl grant. We are sanctioning a new allowances and the date from which they should have effect is one for the decision of Govt, having regard to financial situation in the current year.

13 As I have noted elsewhere, the budget of the year is expected to end in a deficit and there will be no financial justification to incur additional expenditure which is not urgent.

14 I fear Mr. Masters case has to be dealt independently on its merits. It is not covered by the general order.

The proposals made by the S.S. have all to be sanctioned, I think. As he recommends 75 Rs for Mr. Monteiro, 50 Rs for Mr Sambasivam might be too little. If Fin Secy is agreed to add grant, the question may perhaps be considered in Council with Dewan's approval.

Office of the Senior Surgeon
in Mysore,

Camp, Mysore, dated 14/15 Oct: 1927.

Med 162-26-6

From

B. Mahomed Usmon, Esq., L.M. & S.,
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore, Camp, Mysore.

To

R. Ranga Rao, Esq., B.A.,B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

With reference to your D.O. letter No. G.3216/Med: 162-26-5 dated the 20th September 1927, requiring me to send up a consolidated list of cases of officers who have returned from foreign countries with higher qualifications, I have the honor to submit the following recommendations:-

1. Mr. P. R. Subba Rao, L.R.C.P & S (E), D.O.M.S.(Eng). As he has obtained the special diploma in Ophthalmic Medicine and Surgery, he may be given an allowance of Rs 75/- per mensem, as per scale laid down by Government as intimated in your D.O. letter No. G. 1995/Med: 1-27-1 dated the 22nd Aug: 1927.

2. Mrs. B. Perriton, L.R.C.P.&S (E), L.F.P & S. (Glas), L.M. (Rot), D.G.O.(I). Has obtained the diploma in Midwifery, Gynecology and Obstetrics at the Rotunda Hospital, an institution of world-wide reputation. She may also be given a Personal allowance of Rs 75/- per mensem.

3. Mr. B. G. Samabasivan, L.R.C.P and M.R.C.S. (Eng.). Although his M.R.C.S. does not entitle him to any allowance under the rules above referred to, yet he has, as required by Government, obtained higher training in Bacteriology and Pathology in England and also attended clinics in those subjects ~~xx~~ in throat, nose and ear diseases at Vienna. I would recommend a personal allowance of Rs 60/- in his case, as was given to Mr. T. Seshachalam in Government Order No. G.4715-6/Med 20-26-5 dated 9th November

4. Mrs. R. Isaac, M.R.C.S. (Eng.). Being a lady, she is entitled to a personal allowance of Rs 50/- per mensem according to the principles defined in your D.O. letter dated the 22nd August 1927, above referred to.

5. Lastly, Mr. V. V. Monteiro, L.D.S. (Eng). As I have already submitted, unlike any of the abovementioned special qualifications which can be secured by an

an Indian University Graduate in Medicine after undergoing a course of six to nine months, L.D.S. requires three years' hard study and apprenticeship. He therefore richly deserves an allowance of Rs 75/-.

I request early orders on the above.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon, M.G.
